Paper Presentation

Unleash your presentation and technical skills on a single platform...

About:

Paper presentation is all about how you put your topic or present the topic in front of the public. All you have to do is to dive deep into the topic and discover new things and present a paper on it.

Participation:

All mechanical engineering students are eligible to participate.

Details:-

  INITIAL SCREERING PROCESS: First a soft Copy of the paper abstract is to be sent **.**

We are going to organise this in 2 rounds...
 And you have to come with power point presentations according to the time and content limit of each round.

FIELDS FOR PAPER PRESENTATION:
1.THERMAL ENGINEERING

2.MACHINE DESIGN

3.ADVANCED MANUFACTURING   TECHNOLOGIES

4.ADVANCED ENINGEERING MATERIALS

5.ROBOTICS

6.AUTOMOBILE ENGINEERING

1nd round:

Candidates who are short listed from the first screening process are eligible to this round.
    Here the presentation content should not exceed five minutes.
Final round:
Candidates who are short listed from the first round are eligible to this round.

Here you have to present in-detail about your presentation and you also have to answer the questions posed by judges and audience. And this presentation should not exceed 8 -10   minutes

RULES AND REGULATIONS:

1) The paper submitted will have to be presented during the event.
2) Hard copies of the same are to be submitted before presentation.
3) The Teams will get   8-10 minutes to present their paper.
4) It will be followed by question and answer session.
5) The participants will have to present their presentations in MS- POWERPOINT (ppt) format only.
6) Violation of any rule can result in rejection of paper.
7) Decision of the Judges and event organisers shall be treated as final and binding on all and cannot be contested.
8) The organisers reserve the right to change/update the rules of the contest at any point of time and will do their best to inform to participants of the same. However, it is ultimately the responsibility of the teams to keep themselves updated.

Paper scoring:

The paper and presentation have a maximum combined score of 125 points. A maximum of 80 points will be awarded for the paper and a maximum of 45 points may be awarded for the presentation.

1) Paper scoring:
    Judges will evaluate and score the papers using the maximum point values shown below:

   Contents:
   a. Abstract(5)
   b. Organisation (introduction , body, conclusion)(8)
   c. Background information /literature review(7)
   d. Technical content and accuracy of information.(20)
   e. References(5)
   f. Using of figures and tables.(5)
   g. Formatting(5)

h. Grammar(8)
i. Written expressions and styles(7)
j. Overall clarity and quality of paper.(10)
k. ACKNOWLEDGMENTS

   TOTAL MARKS=80

2) **presentation scoring:**
   Judges will evaluate and score presentations using the following maximum point values attributed to specific criteria.

   a) Organisation of the material.(5)
   b) Technical command of the subject matter.(10)
   c)   Presentation style.(7)
       (e.g. personal appearance , poise, eye contact)
   d) Correct use of technical language and grammar(10)
   e) Time management(10 minute maximum)(5)
   f)   Overall clarity and quality of the presentation.(8)

   TOTAL MARKS=45

   AGGREGATE MARKS=125

PRIZES:

   1. FIRST PRIZE-----1500
   2.   SECOND PRIZE--------1200
   3.   THIRD PRIZE---------1000

RULES:

1. Your work should be original and in a specified format.

2. The competition is open to all students.

3. The registration fee per paper is 100.

4. Any paper that is selected and is not presented anywhere, shall not qualified for any awards.

5. Directly copying from the internet is strongly discouraged and will not be entertained.

6. For any clarification or further details the interested candidates and contact the SDCAC organisers who are assigned for organising this event.

TEAM FORMATION:

1. Team can have maximum of 2 participants from B.Tech/B.E.
2. No participants can be part of more than one team.
3. It is necessary that the participants forming the team should be from the same college.

Paper format rules:

1. The paper should be in IEEE format.
2. The front page should have title of the paper on the top and the details of the team members (as mentioned in the abstract) at the bottom.
3. Font style for the text: Times New Roman.
4. Font size for text: 12 points.
5. Font size for headings: 18 points.
6. Font size for sub-headings: 14 points.
